Dear Judge Rhodes,
FILED.

U.S. BANKRUPTCY COURT
E.D. MICHIGAN - DETROIT

Has anyone ~~2014 JAN-2 P:~~ figured out and reported to the court and press, how much the city has borrowed and how much they have repaid in principle interest, ~~for each transaction on bonds~~ and in penalties; how much of this has been paid to financial institutions who have had to pay the Justice Dept. large fines, with limited probation, for illegal financial activities? I am against borrowing money from Barclay (Peter) to pay UBS and Bank of America (and Jones Day) (Paul), specially when since Bank of America and UBS have admitted to fraud; we should sue them for their illegal activities, which I notice in the Dec 30th settlement, Jones Day representing the city (and UBS & Bank of Am.) has not done. ^(not sue) crooked inconstance brought the wolf to our door. I would like to read these so-called Swap Junk Bond Agreements as well as what we've pd. & owe in principle interest & penalties. If you ~~would~~ ^{lets} could put me where ^{to} how did Justice Dept. determine their fines, penalties
